

BIC Sustainability and Environmental Data Reporting Project Part 2

Project update: May 2025

Current project status: Green – 10.0% completed

Summary of current position:

- The Task and Finishing Working Group (T&FWG) only held two meetings in May,
- The T&FWG have filled in the 'Publishing Declares' spreadsheet,
- The T&FWG have reviewed the results and reached out to 16 organisations that are known to be working on their sustainability journey, but no information can be found on their websites.

Initial Deliverables Achieved to Date:

- The Publishing Declares spreadsheet has been filled with the following results:
 - There are 130 publishers on the list, of these,
 - Six are providing data around Scopes 1, 2 and 3 as a combined score
 - Eight are reporting on Scopes 1 and 2,
 - Of those eight only five are reporting on Scope 3
 - There are 21 production and supply organisations on the list, of these,
 - One is providing data for Scopes 1, 2 and 3 and as a combined figure.

Next steps:

- The BIC Environmental Consultant to contact the 16 organisations that have a sustainability policy, but are not displaying any data on their websites.
