Books In Print® combines the most trusted and authoritative source for bibliographic information with powerful search, discovery and collection development tools designed specifically to streamline the book discovery and acquisition process. Books In Print® contains over 20 million global titles (in print, out of print, and forthcoming), including books, ebooks, audio books, and multimedia titles.

Libraries worldwide consult Books In Print® to find titles, create lists and decide which vendor, ebook platform, or online retailer to source the title.

Books In Print® is available in two subscription levels:

- United States Edition – Contains U.S. publications.
- Global Edition – Offers global coverage, including U.S., U.K., Canadian, European, and Australian publications.

Books In Print® is used every day by thousands of book professionals and library users to make connections.

NEWEST FEATURES INCLUDE:

Browse will assist library users in finding books based on authors, genres, or topics that interest them. Every query will return suggested titles, eliminating dead-end searches.

Character Search allows the user to search for a character from their favorite books and view search results for all titles the character appears in, and includes a brief synopsis of the character.

Find Similar allows users to see suggested similar titles based on search criteria, or they can search by specific tags found in Syndetics Book Profiles.

WHY BOOKS IN PRINT® IS THE LEADING BIBLIOGRAPHIC DATABASE FOR LIBRARIES, PUBLISHERS, AND RETAILERS AROUND THE WORLD:

- Largest bibliographic research
- Wholesaler stock availability
- Lists feature, to download a book list into inventory
- Online comparison pricing and buying options
- Displays View Inside Widget for easier browsing of purchasing
- Includes a mobile app and over 40 professional review sources

We bring your catalog to life.

Ebook Central ...built for you and your researchers

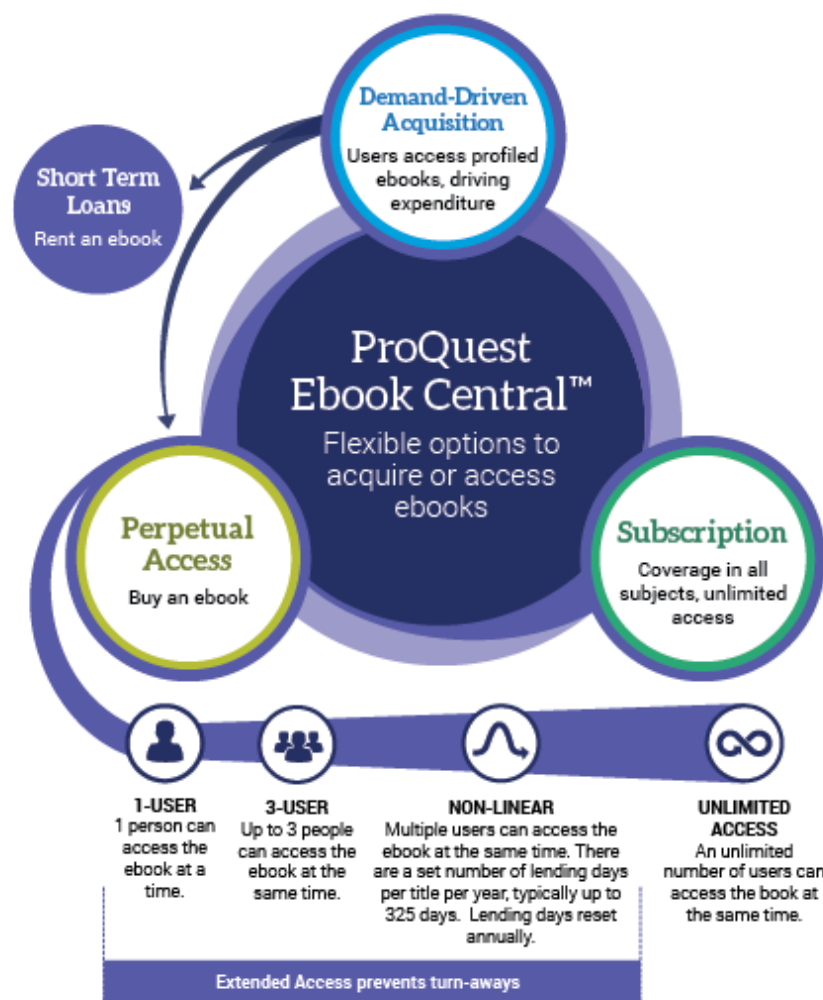

The screenshot displays the ProQuest Ebook Central homepage. At the top, a dark blue header contains the ProQuest Ebook Central logo on the left and navigation links for Search, Bookshelf, Settings, a help icon, and Sign Out on the right. Below the header is a large banner with a background image of a library. The banner features the text "Authoritative ebooks at your fingertips." and a search bar with the placeholder "Search ebooks" and a blue "Search" button. Below the search bar are links for "Advanced Search" and "Browse Subjects".

The main content area is divided into three columns:

- Left Column:** Features the University Library logo and text stating that the library has selected ProQuest Ebook Central as its provider. It includes links for "View how-to videos" and "View help FAQs".
- Middle Column:** Titled "Ebooks on the go", it promotes mobile access and includes a "Learn more" link and an image of a smartphone displaying the app interface.
- Right Column:** Titled "Trusted content.", it features a ribbon icon and text emphasizing the credibility of the content from authoritative sources like University Presses.

Below these columns is a "Recently Viewed" section with a horizontal carousel of six book covers: "Quantum Mechanics", "Women's Health Psychology", "Advanced DC/AC Inverters", "Environmental Modeling", "Extreme Tissue Engineering", and "Nanomaterials for Environmental Protection". Navigation arrows and a central dot indicator are present for the carousel.

ProQuest Offers Flexible ebook Models

Usage Stats

- Detailed reporting to help track ROI
- Counter
- 2017 roadmap: SUSHI
- Expenditure Reports
- Patron Analytics

Using Ebook Central Patron Analytics

- The Patron Analytics feature is used to gather demographic information about library patrons.
- The information can be used with the Usage or Sales report to analyze patterns of usage and patron triggered expenditure

Use Patron Analytics to Increase Book Budgets

- Case study: Newcastle University EBL DDA since 2010
- about 30% of their book budget goes to DDA
- have found a *direct* correlation between departments with high EBL usage and **increased positive feedback in the NSS survey**

Space Reclamation Survey: Early Results^{*}

What % say space reclamation is a priority or will be in the near future?

81%

What % say their print book budgets have shifted to ebooks as a result of their space reclamation programs?

Use TMF to

Reclaim space

Reduce costs

Extend your library's reach

Cataloging and Discovery

Ebook Central offers four cataloging options to our customers that can be used for title-by-title ordering:

- MARC Records
- OCLC WorldCat Cataloging Partners
- OCLC Worldshare Collection Manager
- ProQuest 360 MARC Updates
- Automated Holdings for your Discovery Service

MARC Records

We provide MARC Records as high-quality, hand-catalogued Full records, or machine-generated Express records. You may choose from either records option, both of which are available for your purchased, subscribed and DDA holdings. Both options are free, RDA compliant and Provider neutral, contain all relevant document IDs in the 035 field, contain OCLC Control Number (OCN) numbers, and can have customized 856 links. MARC records can be downloaded anytime from LibCentral.

Customer's wishlists

- High degree of accessibility
- More content, especially textbooks
- Bundled P&E offers
- Normalised metadata
