

BIC IRI Review Group 2025

Update: May 2025

Summary of current position:

- The Review Group's fourth meeting has taken place, with a further ad hoc meeting to resolve the outstanding queries related to the deliverables.
- All deliverables finalised and sent for branding prior to publication.
- The Review Group Closure Report has been drafted.
- The review group has now closed.
- The status of the review group deliverables is as follows:

#	Deliverable	Status
1	Sales and Returns History	15/30-month rule support collateral updated to reflect bookseller and supplier needs. This has been supplemented with diagrams and worked examples.
1a	Glossary of Terms	The proposed updates to the Sales and Returns History collateral have resulted in revisions and additions to the original glossary published in 2022. These have been supplemented by worked examples where necessary.
2	Returns Rejection Codes	The revised set of rejection codes includes new codes, revisions and a number of deprecations.
3	The Value of IRI	This new piece of collateral has been finalised.
4	Worked examples	Worked examples to illustrate complex issues and prevent avoidable mistakes have focused on sales and returns history.

Deliverables achieved to date:

- All deliverables completed. These will be published and made available in consolidated form once branded.

Next steps:

- None.
