

## **BIC Discoverability & Conversion Project**

**Update: March 2026**

**Summary of current position:**

- Project meeting T&FWG3 held
- The final version of the Grid of Key ONIX Data Elements with accompanying narrative has been shared with the T&FWG for feedback
- Any feedback by the end of March will be reviewed and actioned in April 2026

**Deliverables achieved to date:**

- Final version of the Grid of Key ONIX Data Elements.

**Next steps:**

- Further work and possible publication of the grid is dependent on BIC's strategy for the 2026 - 2027 membership year
